

Nakshatram

Luxury of a resort

**Comfort of a villa**

[www.nakshatram.co](http://www.nakshatram.co)

Resorts promise freedom but deliver restrictions. Villas offer comfort but lack open space. We created Nakshatram- on the concept of an Open Villa – a large, open living area with private bedrooms. Enjoy the entire resort to yourself, party freely, then retreat to your private cabin. Experience ultimate freedom at Nakshatram.

- Think Sustainable: Gentle on the planet.
- Think Local: Supports local community.
- Think Native: Protects native plants.
- Think Minimal: Less is more.
